The screenshot shows a web application interface with a dark teal header. On the right side of the header, there are two buttons: 'Home' with a house icon and 'SignOut' with a power icon. Below the header, there is a search area with a text input field labeled 'Enter Patient Name' and a 'Download' button. To the left of this is a 'Download All' button with a download icon. Below the search area is a table with a dark blue header row containing the following columns: 'S.No', 'Patient Id', 'Patient Name', and 'Hospital No'. A modal dialog box is centered on the screen, displaying the text 'Data is downloading Please wait for a while' and 'Downloading files. Please wait...'. Below the text is a progress bar that is 36% full, with the number '36%' on the left and '8/22' on the right.

Go back to menu and click on patient list to see all patients from your centre

You can sort, and search patients.
